

備考

A diagram showing a staircase-like structure with 7 steps. Each step is a horizontal bar. The first bar on the left is labeled '27'. The second bar is labeled '26'. The third bar is labeled '25'. The fourth bar is labeled '24'. The fifth bar is labeled '23'. The sixth bar is labeled '1'. The seventh bar is empty. The bars are arranged such that each subsequent bar is shifted to the right and up.
